| Important Questions | Answers | | Why This Matters: |
|---|---|---|--|
| What is the overall deductible ? | Network \$4,500/self only \$4,500/individual \$9,000/family | Non-Network \$15,000/individual \$30,000/family | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. Network : If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible . Non-Network : If you have other family members on the plan , the overall family deductible must be met before the plan begins to pay. |
| | Network and non-network deductibles are separate. | | |
| Are there services covered before you meet your deductible ? | Yes, network preventive services and certain services paid with a copayment . | | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . |
| Are there other deductibles for specific services? | No. | | You don't have to meet deductibles for specific services. |

Network : If you have other family members in this plan , they have to meet their out-of-pocket limits until the overall family out-of-pocket limit has been met. Non-Network : If you have other family members in this plan , the overall family out-of-pocket limit must be met. |
| | Network and non-network out-of-pocket limits are separate. | | |
| What is not included in the out-of-pocket limit ? | Premiums , balance billing charges (unless balance billing is prohibited), health care this plan doesn't cover, and penalties for failure to obtain pre-certification for services. | | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |

| Important Questions | Answers | Why This Matters: |
|--|---|---|
| Will you pay less if you use a network provider ? | Yes. See login.personifyhealth.com or call 1-888-472-4352 for a list of network providers . | This plan uses a provider network . You will pay less if you use a provider in the plan's network . Be aware, your network provider might use a non-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist ? | No. | You can see the specialist you choose without a referral . |
