

Using Your Benefits

Congratulations! You have a dental plan from Delta Dental of Colorado. It's so important to use your dental benefits because your oral health is connected to your overall health. Your dentist can spot the early signs of some systemic diseases and can help you avoid painful and costly dental procedures in the future. So make dental care a priority.

Create a subscriber account on deltadentalco.com

You can check the specifics of your plan, the status of claims, and much more. To create a secure account, go to our homepage and click on the Sign-in/Register link and follow the prompts for Member. If you need help setting this up, you can contact our customer service team.

Download our free mobile app

Once you've created an account online, you can access all of the same information within the app. To download our app on your device, visit the App Store (Apple) or Google Play (Android) and search for Delta Dental. You will need an internet connection in order to download and use most features of our free app.

Find a dentist near you

Go to our website or use the mobile app and choose either a Delta Dental PPO™ or a Delta Dental Premier® provider based on the plan you have. A Delta Dental PPO provider will always cost you less out of pocket, so search for one near you to get the greatest savings.

Make an appointment....and smile!

You're taking steps to protect your oral health and your overall health! Plus, preventive services — like cleanings and exams — are usually at no cost to you, so there's no reason to wait.*
